# Senior Graphic Designer

## Professional Summary

As a skilled Graphic Designer and Digital Artist, I possess extensive experience in graphic design, digital art, and video editing. My proficiency in software such as Photoshop, Premier, Illustrator, After Effects, and Clip Studio Paint. allows me to effectively bring creative ideas to life. Additionally, my solid understanding of marketing principles and certification in Instagram marketing equips me with expertise in social media strategies.

Throughout my career, I have consistently delivered high-quality designs and worked with reputable companies, establishing a proven track record of success. I am currently seeking new opportunities to contribute my expertise and expand my portfolio further.
